

TEXTILE RAGS

CATALOGUE

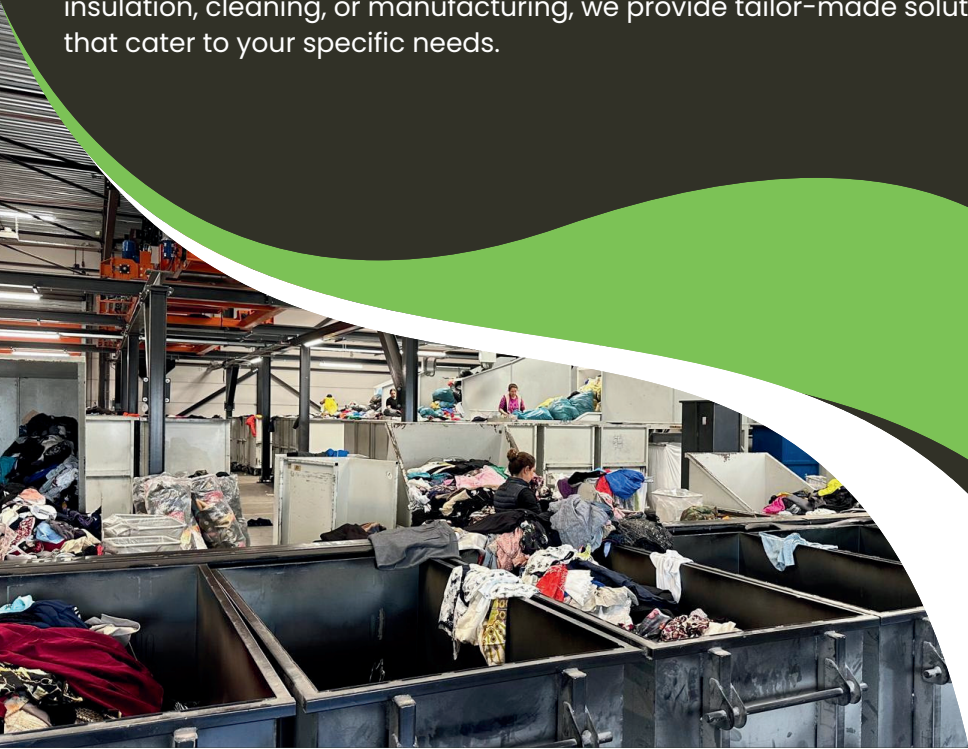

ABOUT US

Textile Rags a Belgium-based trading company established in 2024 with our headquarters located in Dilbeek, Belgium. Over the years, we have become a trusted name in the global trade of secondhand clothes, shoes, and textile rags. Our commitment to providing quality materials and sustainable solutions has made us a leading exporter, particularly to markets in India, Pakistan, Middle East, Africa, South Africa .

At the heart of our business is the principle of recycling and repurposing. We focus on sourcing high-quality secondhand textiles and shoes, ensuring that these products find a new life in emerging markets. From jeans and sweater rags to first-grade branded clothes and footwear, our diverse product range is designed to meet the unique demands of industries and businesses around the world.

Our specialization in exporting mutilated rags makes us a go-to partner for businesses in the industrial sector. Whether you're looking for rags for insulation, cleaning, or manufacturing, we provide tailor-made solutions that cater to your specific needs.

OUR VISION

We aim to lead the way in sustainable textile trading, reducing global waste and providing affordable, high-quality secondhand goods to markets worldwide. By bridging the gap between supply and demand, we play an essential role in the circular economy, helping reduce environmental impact while supporting businesses and communities.

SUSTAINABILITY

We are committed to promoting environmental responsibility by extending the lifecycle of secondhand textiles.

QUALITY

Our products are thoroughly inspected to ensure they meet the highest standards.

CUSTOMER FOCUS

We prioritize understanding our client's needs and delivering tailored solutions to enhance their success.

OUR EXPERTISE

With a decade of experience in the trading industry, we have built strong relationships with suppliers and customers globally. Our deep understanding of the textile market allows us to offer products that are both cost-effective and aligned with the specific requirements of the regions we serve.
